easy-care
This special finish makes shirts and blouses particularly easy to care for. The significantly reduced tendency to crease improves the appearance when worn and reduces the need for ironing. The finish also ensures excellent shape retention and offers a high level of comfort. Proper care is essential to achieve the best results. Hang the garment on a hanger immediately after washing, smooth it out and leave it to dry. The garment must not be spun at high speed or tumble-dried.

Stand: 25.11.2026 - 01:02:11
