Suitable for industrial laundering
This article is suitable for industrial laundering at 60°C and has been tested in accordance with the requirements of DIN EN 15797. The standard defines the requirements for textiles that must withstand the rigorous demands of industrial washing and care processes. Items bearing this mark are exceptionally durable and long-lasting, and testing confirms high resistance in terms of shape retention and color fastness.

OCS 50%
The indicated percentage of this product consists of organically grown cotton, certified according to the Organic Content Standard (OCS). The OCS is a globally recognized standard that verifies the presence and amount of organic material and ensures traceability throughout the entire supply chain.
