

**Specialized work pants in slim profile with functional details**

Sturdy, durable, elastic material mix of recycled polyester, organic cotton and elastane  
 Water- and dirt-repellent thanks to BIONIC-FINISH®ECO  
 Elastic waistband with belt loops  
 Knee pad pocket reinforced with CORDURA®  
 Tearproof triple stitched seam  
 Pockets, several tool pockets  
 2 zipped pockets  
 Ruler pocket, pen holders, mobile phone pocket  
 Reflective elements (without protective function/no PPE) at the front and at the back  
 Zips: YKK

**Fabric:** Outer fabric (260 g/m²): 65% polyester (recycled), 32% cotton (organic cotton), 3% elastane  
 Trimming: 100% polyamide

**Country of origin:** China

**Customs tariff number:** 62034311

**Care instructions:**

**Available colours**

#### Features

##### CORDURA®

CORDURA® is a very sturdy, textured polyamide fabric, which is extremely tear- and abrasion-proof. Special yarns, specially developed weaving techniques, dyeing methods and additional textile finishing ensure that products with CORDURA® can be used as durable and comfortable workwear.

##### OCS Standard blended

The Organic Content Standard (OCS) enables Daiber Textiles to record the exact proportion of organic material in a product during production and to track it throughout the production chain. The overarching 'Content Claim Standard' defines, among other things, the traceability of goods and transparency in the production chain for the OCS.

##### BIONIC-FINISH®ECO

BIONIC-FINISH® was developed, following the example set by nature, 'learning from nature'. The textile is protected against water and dirt by a very thin crystalline structure. BIONIC-FINISH®ECO protects man and nature.

##### GRS Standard

PET bottles are recycled into new fashion. Plastic bottles are crushed, melted down and spun into new yarns, some of which are used in production up to 100%. The Global Recycled Standard (GRS) stands for independently verified recycled materials, transparent supply chains and fair, environmentally friendly and health-conscious production conditions.
