

Specialized work pants in slim profile with functional details

Sturdy, durable, elastic material mix of recycled polyester, organic cotton and elastane
 Water- and dirt-repellent thanks to BIONIC-FINISH®ECO
 Elastic waistband with belt loops
 Knee pad pocket reinforced with CORDURA®
 Tearproof triple stitched seam
 Pockets, several tool pockets
 2 zipped pockets
 Ruler pocket, pen holders, mobile phone pocket
 Reflective elements (without protective function/no PPE) at the front and at the back
 Zips: YKK

Fabric: Outer fabric (260 g/m²): 65% polyester (recycled), 32% cotton (organic cotton), 3% elastane
 Trimming: 100% polyamide

Country of origin: China

Customs tariff number: 62034311

Care instructions:

Features

CORDURA®

CORDURA® is a very sturdy, textured polyamide fabric, which is extremely tear- and abrasion-proof. Special yarns, specially developed weaving techniques, dyeing methods and additional textile finishing ensure that products with CORDURA® can be used as durable and comfortable workwear.

OCS Standard blended

The Organic Content Standard (OCS) enables Daiber Textiles to record the exact proportion of organic material in a product during production and to track it throughout the production chain. The overarching 'Content Claim Standard' defines, among other things, the traceability of goods and transparency in the production chain for the OCS.

BIONIC-FINISH®ECO

BIONIC-FINISH® was developed, following the example set by nature, 'learning from nature'. The textile is protected against water and dirt by a very thin crystalline structure. BIONIC-FINISH®ECO protects man and nature.

GRS Standard

PET bottles are recycled into new fashion. Plastic bottles are crushed, melted down and spun into new yarns, some of which are used in production up to 100%. The Global Recycled Standard (GRS) stands for independently verified recycled materials, transparent supply chains and fair, environmentally friendly and health-conscious production conditions.
