#### Available colours

■ black (blackC)

■ navy (296C)

■ olive (7497C)

#### Features

#### Water column of at least 1.500 mm

The ability to withstand water pressure without moisture penetrating into the material is given by the water column (mm). The minimum standard is a water column of 1,500 mm.

#### Taped seams

To avoid moisture penetrating into the fabric, seams and stitches can get taped. Taped seams are 100 % water-proof.
